Can t see why its fun to destroy/delete/fuck up other people..  
if u know how to get inside places, use it for something usefull...  
it might have been you, using 20 hours setting up a server and then som kid comes and destroy your work..

i dont care and never will, but i just dont understand,.. not saying you shouldnt do it, cuz i dont know where, who and why...

:)

Be nice, even though they are your slave of some kind.. :)

make money, draw back, relax... have sex.. :P
